## The Salmi-Ylätupa Family Society briefly in English

The Salmi-Ylätupa Family Society was founded on the 9th of August 1980 at Kaipiainen community hall. The membership of the society comprises the descendants of Anton and Leena-Stiina Ylätupa, as well as those of Daniel and Maria Salmi.

The object of the society is to investigate the Salmi-Ylätupa family's ancestry and history, to foster and preserve the traditions derived from Kaipiainen, as well as to encourage a sense of kinship among its members. The most significant task of the family society is to arrange a family reunion every two years, to which all members are welcome!

Previous conventions have been held at the following locations:
